Dr. Robin Cantor is a Director in the Financial & Insurance Claims Services practice in the Washington, DC office.

Professional Experience

Dr. Cantor specializes in environmental and energy economics, statistics, risk management, and insurance claims analysis. In addition, she leads the Liability Estimation and Insurance Coverage Analysis practice, which helps companies and financial institutions better understand asbestos and other product liability exposures and insurance coverage issues. Prior to joining Navigant Consulting in 2004, she was a Principal and Managing Director of the Environmental and Insurance Claims Practice at LECG, LLC. Other positions she has held include Program Director for Decision, Risk, and Management Sciences, a research program of the National Science Foundation, and various research appointments at Oak Ridge National Laboratory. Dr. Cantor has a faculty appointment in the Graduate Part-time Program in Engineering of the Johns Hopkins University. She was the President of the Society for Risk Analysis in 2002, and from 2001-2003, she served as an appointed member of the Research Strategies Advisory Committee of the US Environmental Protection Agency's Science Advisory Board. Dr. Cantor has submitted analysis, testimony and affidavits in federal arbitration, regulatory and Congressional proceedings, and federal court. Dr. Cantor's publications include refereed journal articles, book chapters, expert reports, reports for federal sponsors, and a co-authored book on economic exchange under alternative institutional and resource conditions.
